

To whom it may concern

Baar, 16. February 2021

**Risk Management Files (according to ISO 14971)**

**Manufacturer Statement**

Risk Management Files (RMF) according to standard ISO 14971 (Medical devices - Application of risk management to medical devices) are available on request for our medical product range.

TRACO POWER medical products, where a RMF is available, have it mentioned in the datasheet.

If you need a RMF for one of our TRACO POWER products, please contact us using our service portal and describe your document order request:
