

Product Change Notification

Topic	Change of product marking technology
Series	TSN 1
Reason of Change	Due to the small product space, the label can easily warp at the corners and the label mode is higher in production cost.
Timeline	The product change is active for all models as of production from 2024 CW9.
Acknowledgment	This PCN is considered to be approved 30 days after above given date. Any concerns shall be provided within the acknowledgment period.
Type of Change	<input type="checkbox"/> Major <input checked="" type="checkbox"/> Minor

Description of Change

This change has no effect on the performance of the converters and all electrical and mechanical specifications/characteristics remain unchanged.

	Current	New
