

Product Change Note

Date October 18, 2022
No. 041-22

TRACO POWER TSR 1 / TSR 2

To whom it may concern

Change of the marking process

Subject product series have undergone a marking process change to optimize the overall production process. The marking process has been changed from silk-screen printing to laser marking. The case material itself has not been changed.

This change has no effect on the performance of the converters and all electrical and mechanical specifications/characteristics remain unchanged.

	Before the change (Silk-screen printing)	After the change (Laser marking)
TSR 1 series		
TSR 2 series		

Timeline:

The product change is active for all models since production date 2023 CW1.

Datasheets and application notes are available on the respective product pages for [TSR 1 series](#) and [TSR 2 series](#).

For more information contact your local TRACO POWER sales representative or Distributor.

We thank you for your understanding.
