TRACO POWER TSPC-DCM series

To whom it may concern

A crucial component used in the production for TRACO POWERs [TSPC-DCM Series](#) (introduced 2010) has become impossible to source due to its sudden discontinuation.

In consequence, TRACO POWER is forced to announce the End of Life (EOL) status **of the TSPC-DCM series.**

Mass production has been stopped but affected customers may order from our remaining warehouse and distribution stock.

Customers may also look for a TRACO POWER replacement at the dedicated category page [System Solutions](#) on our website or assess our recommendation below.

TSPC-DCM series	Potential Replacement
TSPC-DCM600	TSP-REM600 series -> 24VDC input with up to 600 Watt output power

We thank you for your understanding and apologize for any resulting inconveniences. *
