

Not Recommended for New Designs (NRND) Announcement

TEN 60 series

To whom it may concern,

We inform you, that TEN 60 series is no longer recommended for new designs*.

In case you have any questions, please contact your TRACO POWER distributor or directly approach the [TRACO POWER Sales and Support](#) teams**.

We thank you for your consideration.

Matthias Landolt
Product Management

* Traco Power is committed to keeping products in the market as long as possible. A status change to NRND (not recommended for new designs) is not in all cases indicative of an imminent end of life (EOL).

** Customers may also register for the <<Keep Me Updated>> feature available on our individual product websites. This feature serves for receipt of real-time technical or status related product change notifications.

*** Product options not explicitly listed but included in the status change notification
